

Legislative Committee Director
Sen. Linda Menard-Post

I'm so happy to submit a glimpse of a wonderful life of service!

Allow me to begin with a small amount of information about my life in Alaska since 1968! BELOVED ALASKA!!!!

WHERE should I begin?

My passion has always been to follow through and bring projects to completion. To zero in on the RPEA Executive Board would be a good fit.

As a Senator for District "G", my career was enriched with accomplishments! Notably, my husband and I were the first couple elected as Senators of the great state of Alaska.

Additionally, when I decided to serve the great State of Alaska, I was serving my 12th year on the Mat-Su School Board.

My late husband, Dr. Curtis D. Menard and I were owners of Wasilla and Palmer Dental Center of which I was CFO for 33 employees!

I was also chairperson and Interim director of Mat-Su Health Foundation.

Currently I'm on boards that include:

- FAMILY CENTERED SERVICES,
- Salvation Army,
- MEA CHARITABLE FOUNDATION, and
- Palmer Rotary!

Recognized awards:

- Champion for Children,
- Wasilla's 1999 Citizen of The Year Award, by Chamber of Commerce,
- Received THE FIRST LADY OF THE YEAR AWARD, PRESENTED by Ermalee Hickel.
- Proud Graduate of University of Alaska, and my 5 children and 17 grandchildren!

Thank You!

Sen. Linda Menard-Post
