Dear RPEA Members,

There have been questions concerning the Court's ruling in the DVA case, and the differences between the Legacy Plan which the Court has ruled to be the constitutional plan, and the Standard Plan which has been ruled to be the diminished, unconstitutional plan.

Below is a link to the Court's Order and Findings and Conclusions. There is a comparison chart that begins on page 6 of the Findings and Conclusions that clearly shows the differences in the two plans.

Please let me know if there are questions.
