

Hello again to RPEA's Northern Region (NR) Chapter members
Thursday, 9/10/2020

To our NR folks, this is my "one-week alert" message to update/inform you about the virtual member meeting we will hold next week and how to access it either on-line or by phone.

Our speaker this month is **John Davies**, of the Univ. of Alaska Board of Regents, who will discuss current circumstances and ongoing plans to deal with the University's broad fiscal issues and pandemic-response situation.

Just before or about noon (AST time!), click the URL below (or copy and paste it into a browser) which will allow you to join the NR RPEA meeting.

Please note these "virtual meeting courtesy" suggestions:

1. In general, "mute" your audio AND your video in Zoom!! (this uses much less bandwidth for all of the folks on the meeting.) It will help you from blowing up your on-line connection. Do this with telephone connections, too! You must figure out how to mute your phone, for the general good.
2. Use the Chat option in order to ask a question or raise a point instead of speaking up by un-muting your audio. I will notice it and bring it to John's attention when workable.
3. Regarding telephone connections to the meeting, I have inserted the Zoom info on that below. I am uncertain exactly how the telephone connections work, as opposed to online stuff. Note the passcode provided – I haven't tried that, as yet.

If, during the meeting, your connection "locks up" and you drop out, wait and it will often be re-connected by the system. Happens to me fairly often. Bear with us.

See you on Thursday, 9/17? (or, if not, we hope to record the session, which means you can view it later at your leisure on the RPEA website. We'll see how that works out.)

Ciao, and best wishes to all our NR RPEA members. Be well, Clark

Clark Milne is inviting you to a scheduled Zoom meeting.
