

Retired Public Employees of Alaska Volunteer Opportunities

There are a multitude of tasks to be done in our mission to support retirees. When many of us share our skills and talents, success is easier to achieve. Please think about how you can help your chapter.

Helpers are needed in these areas:

- To greet people at the monthly chapter meeting.
- To come early and distribute materials at the monthly meeting.
- To make phone calls.
- To make copies.
- To serve on the Legislative Affairs Standing Committee.
- To serve on the Membership Standing Committee.
- To serve on the Medical Information Standing Committee.
- To file chapter records.

I can help out in:

- Southeast Region
- Southcentral Region
- Northern Region
- Statewide

Please check those areas where you can help and send the information to the address below.

It just feels GOOD to help!
